The Organisers,
AES 2023 Annual Conference.

Dear Sir/Ma,

Request for Travel Bursary for AES 2023 Conference

I seek to request for travel bursary to attend the annual AES conference. I need this bursary as my Institute will not be able to sponsor me for this conference. This conference will give me the opportunity to meet other researchers and particularly to share my research with others. As an early career researcher attending this conference would contribute in building my academic career.
