

## **Guidelines for Contributed Papers for the AES Annual Conference**

When submitting a full paper for the Contributed paper sessions please, follow these guidelines.

In terms of overall length, papers should follow the guidelines for the Journal of Agricultural Economics and must not exceed 7000 words (but, of course, may be shorter). To standardise submissions (and to comply with AgEcon Search) use the title page shown in the Annex.

Accepted Contributed Papers will be made available to delegates through the AES website after the conference. In addition, papers from the conference are normally archived on the AgEcon Search repository at the University of Minnesota. If you would rather not have your paper included on AgEcon Search, please let us know.

Vera Eory, AES Programme Secretary, 2016

# Annex

Please use this template for the first page(s) of your paper.
