

AES morning run:

7am meet outside Wadham College on Tuesday 24th March with an intention to finish at Wadham College for 07:45.

Approx. 5 km (as link below but with some changes to allow for where Wadham is located) or depending on the pace of the group 45 minutes hopefully returning to Wadham College for 7:45 which should give participants time to get ready for the 08:30 conference start.
